Welcome to UNIKOO Glass & Hardware

At UNIKOO, we're thrilled to embark on a journey with you, redefining the glass and hardware experience for the Shower Door Enclosure and Commercial Railing industries. Based in California, our privately owned company proudly serves the Glass, General Contractors, and Kitchen and Tile industries with a smile and a commitment to excellence.

Our Offerings

We cater to a wide range of projects—from cozy homes to bustling commercial storefronts and chic apartment complexes to luxurious hotels. No matter the vision, UNIKOO is here to bring it to life, offering a diverse selection of products in numerous finishes. The possibilities with us are truly endless!

Our Experience

Our team brings over 60 years of technical expertise, ready to support and guide your project to success. Since our inception in 2017 in a modest 2,800 sq. ft. office, we've expanded dramatically. Today, we proudly operate over 60,000 sq. ft. of manufacturing space and manage three strategic locations in Southern California and New Jersey. With over 100,000 sq. ft. of warehouse distribution space nationwide, we're poised as an industry leader eager to serve every corner of the country.

Our Products

Explore our superb product range, featuring impeccable stock and custom-size glass, elegant shower enclosure units, stylish hand railing and entrance hardware for residential and commercial spaces, and essential accessories to finish your project with flair. Whether you visit us in person or browse online, you'll find quality that speaks for itself.

Our Commitment

UNIKOO is dedicated to providing top-quality glass solutions with a strong focus on innovation and efficiency. We take pride in delivering premium shower doors and glass products that combine durability, aesthetics, and precision craftsmanship. Our commitment to excellence ensures that every project meets the highest industry standards, while our innovative approach allows us to stay ahead of trends and customer needs. With a fast turnaround time, we prioritize reliability and customer satisfaction, ensuring that our clients receive exceptional products and service without delay. At UNIKOO, quality and efficiency go hand in hand.

Our Vision

To be a leading provider of glass and hardware solutions, recognized for our unwavering commitment to customers, continuous innovation, quality-driven products, and a collaborative culture that drives success and growth.

Our Mission

To deliver exceptional glass and hardware solutions by upholding customer commitment, fostering creativity in every innovation, crafting value through quality and reliability, and promoting collaboration across all teams to achieve success together, driven by excellence.

Our Core Values

- Customer Commitment-Always prioritize the needs and satisfaction of our customers.
- Creativity-Embrace innovation and continuous improvement in everything we do.

Material

1/2"(12mm) Eco- Friendly Medium Density Fiberboard

- The acoustical felt is made from recycled materials and is certified under the Global Recycle Standards (GRS). The wood slats are constructed from Medium Density Fiberboard (MDF), certified by the Forest Stewardship Council (FSC).
- The base consists of a 3/8" thick polyester panel, topped with 1/2" thick MDF slats. Each slat measures 1-1/16" in width, with a spacing of approximately 17/32" between them.
- Designed to improve sound quality and bring a sophisticated aesthetic, these wooden slat panels are ideal for both walls and ceilings. Their simple installation process and a range of color options provide limitless design opportunities.
